Painting Instruction

Surface - Base the board with Indian Turquoise. Apply washes of Turquoise Blue, Foliage Green, Spiced Pumpkin, and Lavender. Then apply a wash of the gold metallic paint as desired. Apply Soft Black to the stamp and stamp the background. Repeat as needed. Shade the edges of the board and on both sides of the grooves with Soft Black.

Pumpkins - Base the large pumpkins with Spiced Pumpkin. I left the pumpkin transparent so the background pattern shows through the paint. Base the small pumpkin with Spiced Pumpkin but make it opaque by applying several coats of paint. Shade with Burnt Orange and again with Burnt Umber. The stems are based with Avocado and shaded with Soft Black. The vines and leaves are Foliage Green and shaded with Avocado. Dry brush the pumpkins with Tangerine. Add polka dot pattern on the pumpkins with Tangerine if desired.

Cat - Base with Lamp Black and highlight with Slate Grey. Dry brush the muzzle with Slate Grey. Dry brush the cheeks and base the inner ears with Poodleskirt Pink. Shade the inner ears with Soft Black. Base the nose with Slate Grey and shade with Soft Black. Add a highlight on the nose with Poodleskirt Pink. The mouth and dots on cheek are Soft Black and the whiskers and highlight dots on the cheeks are Snow White. The eyebrows are Slate Grey and the eyes are based with Snow White and Lamp Black. The hair on the head is Lamp Black. Dry brush the chest if desired with Slate Grey. Add the tail wrapping around the pumpkin if desired. Base with Lamp Black and highlight with Slate Grey. Add the collar with Indian Turquoise and shaded with Foliage Green. Add dots with Lavender and Spiced Pumpkin. The tag is metallic gold and the wire connection is Slate Grey.

Lettering - Base the entire word with Soft Black and pounce Lamp Black to the lower third of the lettering. Add dots and highlight lines on the lettering with Tangerine.

Background - Shade around the cat and pumpkins with Soft Black. Add additional texture with dots or diamonds or texture of choice. I used Snow White and Indian Turquoise. Shade around the outside of the board again with Soft Black.

Spray with matte sealer/finish. Add a hanger of ribbons if desired. You could also use an easel or stand.
