### Painting Instructions

Surface - The surface I used was a limited availability surface. You can use a Chalkboard with a similar size or use a surface of your choice and paint the background with Lamp Black. You can recreate the border by just add small hearts in rows.

Ice Pops- The purple pop is based with Purple Cow and shaded with Lavender. The green pop is based with Olive Green and shaded with Avocado. The pink pop is based with Poodleskirt Pink and shaded with Royal Fuchsia. The blue pop is Bahama Blue and shaded with Desert Storm. You could also use Turquoise Blue if you prefer. The orange pop is based with Coral Shell and shaded with Canyon Orange. Highlight the pops with Snow White. The center dark sections are based with the same color as you shaded with. The pop sticks are based with Toffee and shaded with Burnt Umber.

"Hello"- Base with Lamp Black. Use a liner brush and add a highlight with Snow White on each letter.

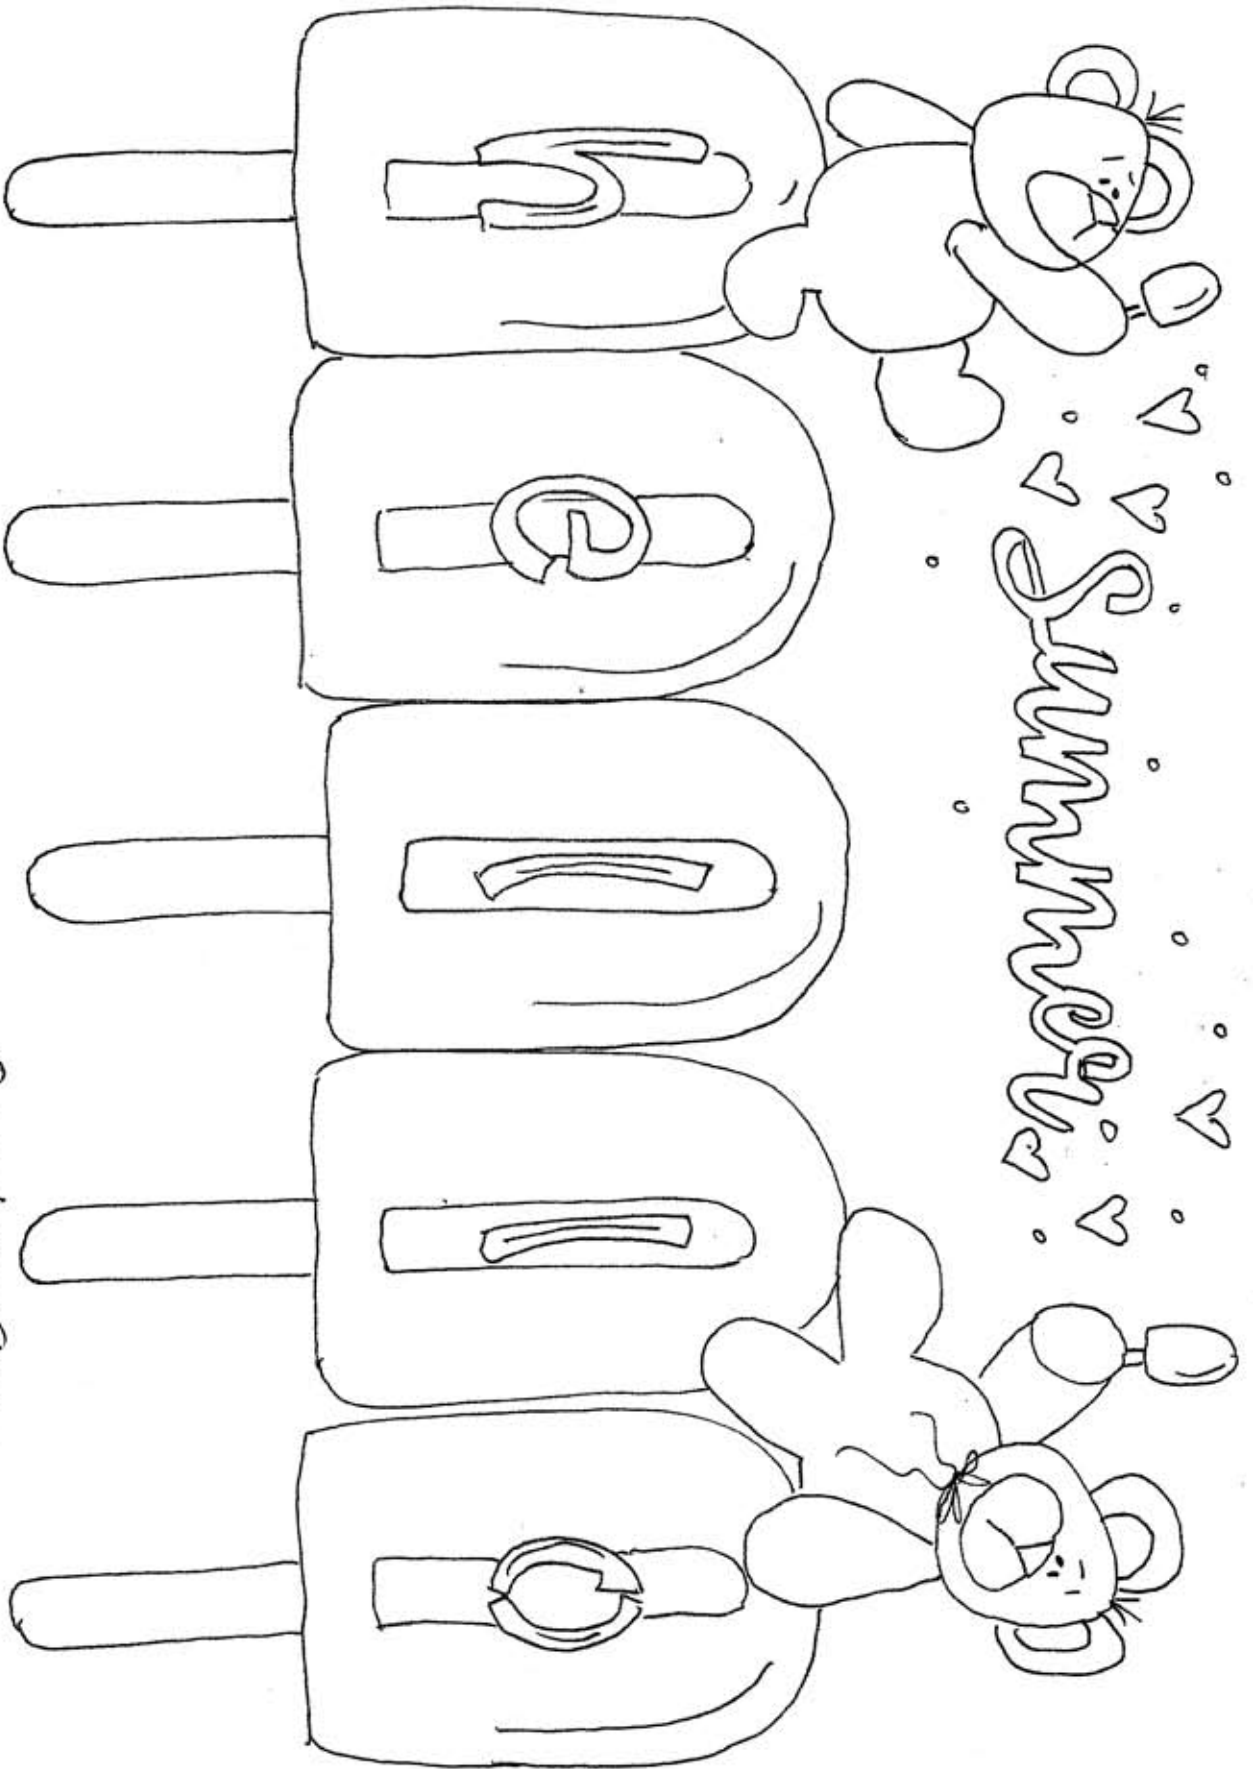

Polar Bears - Base with Snow White and shade with Slate Grey. Dry brush the cheeks and ears with Poodleskirt Pink. Add eyebrows and mouths with Slate Grey. Add nose and eyes with Lamp Black. The tufts of hair on top of their heads are Snow White. The mini orange pop is Coral Shell and shaded with Canyon Orange. The purple mini pop is based with Purple Cow and shaded with Lavender. The pop sticks are based with Toffee. Add a highlight line with Snow White.

"Summer" - Base the word with Snow White. Add an additional Snow White highlight in the center of the letters if it shows up.

Hearts - Base the hearts with Olive Green, Poodleskirt Pink, Coral Shell, Purple Cow and Bahama Blue.

Add white dots with Snow White.

Spray with matte sealer/finish. Add hanger as desired with wire, twine or fabric.
