Painting Instruction

I based the surface with Pistachio Mint. Add the background design with Foliage Green and then again with Snow White. Add dots in the background with Snow White.

Flowers - Base the pink flower with Petal Pink and shade petals with Wild Berry. The center is based with Wild Berry and shaded with Antique Maroon. Add texture with texture mesh and Antique Maroon. Add small areas of texture again with Petal Pink. Add white dots and highlights with Snow White. The white flowers are Snow White and shaded with Fawn. The centers are Petal Pink and shaded with Wild Berry. Add white dots with Snow White. The leaves are based with Foliage Green and shaded with Avocado.

Bee - Base the body with Marigold and shade with Honey Brown. Add the stripes and head with Lamp Black. The highlight on the head is Snow White. The wings are undercoated with Sky Grey. Top coat with Snow White and shade with Fawn. Add antenna and dots with Lamp Black.

Use a permanent ink pen and add line work as desired. Spray with a Matte finish.

Hope you have fun and share your creativity!
